This beautiful almost new home is a must see! Stunning one level floorplan has a terrific open concept floorplan that is light and bright. This home backs to a private wooded space, so you have some beautiful quiet space behind you. There are a total of 4 bedrooms, but one of them is an entire suite with a private bathroom, so it is perfect for guests to have their own space, in law suite, or many other options. Each bedroom location really offers a nice private area. Seller has upgraded the lighting and the fans and taken meticulous care of this home. Great for a full-time home or a 2nd home by the beach! Low HOA dues of only \$20/month! You are also just minutes from Sunset Beach, shopping, incredible restaurants, coffee shops, bookstores, golf and so much more! Come take a look at this one today!
